

# IZ Research for Students

Free of charge for your thesis or research projects.

## Application

We are happy to support your studies. For a one-time free access (max. 4 weeks) to our »IZ Research« package (including Properties, Transactions, Cities, News and Players) as part of a university project, a seminar paper or a final thesis, we require a certificate of matriculation as well as the completed application form from your faculty/university including information on the required period of time (max. 4 weeks). We are looking forward to the results of your work and to your feedback as a user. Both can be used for the further development of IZ Research and processed editorially. The offer is only valid for full-time students in the real estate industry. Students who study part-time are excluded from this offer. The data provided by IZ Research may not be passed on to any third party.
